SKILLS

Programming: Java, Python
Frontend: React, HTML, CSS
Backend: Spring Boot
Database: MySQL
Core Concepts: OOP'S

PROJECTS

Academic Project

Tech: Java, Spring Boot, MySQL

- Developed a full-stack application using **Java**, **Spring Boot**, and **MySQL**.
- Implemented object-oriented programming principles to build scalable modules.
- Designed responsive user interfaces using **HTML**, **CSS**, and **React**.
- Integrated backend APIs with database operations for efficient data management.

EXPERIENCE

Fresher

Aspiring Java Full Stack Developer

- Currently pursuing training in **Java Full Stack Development**.
- Building hands-on projects using modern frontend and backend technologies.
- Strengthening problem-solving skills and object-oriented programming concepts.

ACHIEVEMENTS

- Earned **NPTEL Certification in Computer Architecture**.

EDUCATION

B.Tech in Electronics & Communication Engineering

2022 – 2026

SVR Engineering College, Nandyal

CGPA: 70.4%

Intermediate (M.P.C)

2020 – 2022

SV Junior College, Banaganapalli

CGPA: 69.9%

SSC

2020

MJPAPBCWR School, Srisailem Dam East

CGPA: 9.3
